SOY MEAL

Soy Meal | Soy HiPro | Soy Flour

Soy Meal

Srinivasa Farms has a state of the art 500TPD solvent extraction unit. Strategically located in Soybean belt of Maharashtra, supplying high quality and unadulterated Soy meal to Poultry Farmers, Poultry and Aqua Feed mills.

Besides high quality, our customers appreciate especially the firm structure and the low dust content of our products, as well as the fresh production.

Post production, the products are systematically packed and loaded in containers for transport till it reaches to the end users. We ensure that the Soy meals is free from insects, visible / invisible fungus infestation and from any sort of odour.
